

SCHNEIDER IT MANAGEMENT is an independent company headquartered in Luxembourg. We specialize in consulting and sales of software licenses and online services for international companies from all sectors.

For 2023, we are looking for new members to expand our team in Grevenmacher (Luxembourg):

Apprentice Commercial Specialist for Digitalization Management

Your apprenticeship

- Three-year cross-border apprenticeship
- In-company training in our office in Grevenmacher and vocational school in Bitburg
- We actively involve you in our work areas in consulting, sales and management

Your profile

- You have a good way of expressing yourself and are confident in spelling
- You have an interest in IT as well as economic and technical contexts
- You have a quick comprehension and a strong understanding of numbers
- You have a good command of written and spoken English and German, French is an advantage
- You have a driver's license and are mobile

We offer

- Responsible and varied training with committed colleagues
- A pleasant office environment with state-of-the-art technology and paperless processes
- Opportunities for further training in online services, software licensing and languages
- Flexible working hours, free fitness center, employment after the apprenticeship

Please send your application with cover letter, tabular curriculum vitae with photo, precise details of languages and copies of certificates only as a single PDF per e-mail to career@schneider.im

If you have any questions, please contact Mrs. Cloesener at +352 27208002.
